PoppinPod for 1 - Premium

Need a new way to work in the open office? The upgraded PoppinPod for 1 – Premium creates a quiet, private space designed for focus and comfort. Step inside to take a call, tackle deep work, or simply enjoy a moment of calm—all in a turnkey pod that brings privacy wherever you need it.

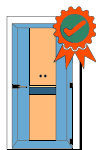

What makes us different

Furnish Your Whole Office

From desks, chairs, and storage to lounge furniture, privacy pods, and conference tables, we are your one stop shop and have everything you need to furnish your office.

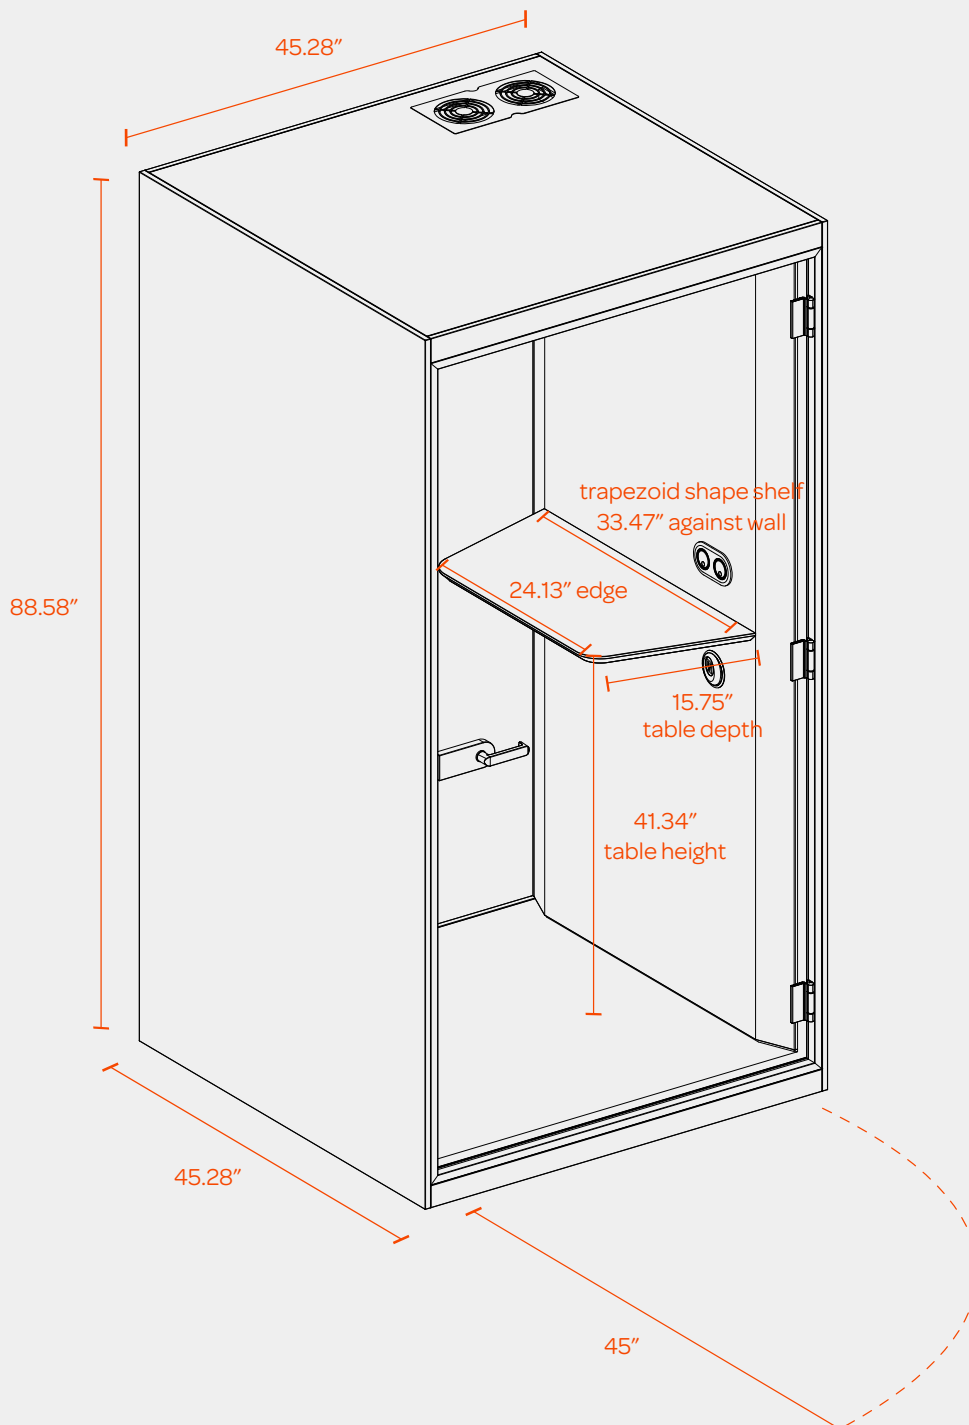

Made to Last

Our furniture is rigorously tested to meet commercial grade standards, and comes with a best-in-class 10 year warranty, so you can trust it will stand the test of time.

White Glove Service

Our white-glove service means hassle-free delivery and installation, so your office is ready to go—no sweat, no mess.

Dimensions

Your Poppin Account Executive and Project Manager can answer any questions you have about the placement of your PoppinPod.

- The footprint of the assembled PoppinPod for 1 - Premium (with the door closed) is 45.28"W x 45.28"D x 88.59"H.
- When the door is opened fully, it adds 45" to the overall depth
- The interior dimension of the PoppinPod for 1 - Premium is 37.48"W x 41.22"D x 80.31"H
- The dimension of the trapezoid table is 33.47" back x 24.13" front x 15.75" D x 41.34" H
- Allow for 12" above the PoppinPod for 1 for sufficient air circulation

Features

1. ANTI-EAVESDROP DESIGN

Each pod is designed to keep confidential conversations, phone calls, and video conferencing completely private

2. AIRFLOW

Our PoppinPod fans – which refresh in less than 1 minute – are precisely calibrated to balance comfort and acoustic performance

3. HIDDEN CASTERS

Built-in casters make it easy to move and reposition the pod without disassembly

4. PLUG + PLAY

Simply plug the power cord into any grounded 15A outlet and get right to work

5. SEAMLESS CONTROLS

Two control dials to easily adjust both the lights and fans to your desired level

Designed for Focus and Flexibility

The PoppinPod for 1 – Premium offers a calm, private escape from the buzz of the open office. Equipped with motion-activated lighting, smart ventilation, and Class B sound insulation, it creates a comfortable environment that adjusts automatically to your needs. Hidden casters make it easy to move and reposition without disassembly—bringing flexibility to any workspace layout. Just step inside, plug in, and let the pod's built-in technology fine-tune your comfort while you focus, call, or create.

The Ultimate Turnkey Meeting Solution

Designed with flexibility in mind, the PoppinPod requires no construction and is backed by a 10-year warranty for lasting reliability. Whether you're optimizing existing office space or creating new areas for focus and collaboration, PoppinPod delivers affordable, high-performance privacy—without compromise.
