

Key Desk

48" Key Desk includes a built-in drawer and power tray

The Key Desk assembles in seconds completely tool free

KEY DESK

Our Key Desk is designed and priced for individual workspaces, making it just right for the home office. We've engineered it for both style and function by including details like a powder-coated metal frame and rounded edges. It assembles in minutes completely without tools so you can get to work right away.

Bells + Whistles

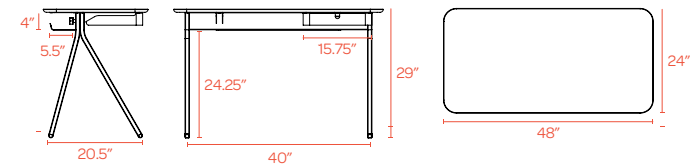

- Durable powder-coated MDF desktop with rounded edge details
- Walnut and Natural Oak finishes feature real wood veneer desktops with rounded edges
- Powder-coated metal drawer, frame, and legs
- 48" Key Desk includes built-in power tray with cover and drawer for at-your-fingertips storage
- Assembles completely tool-free
- Designed by Poppin in NYC
