MODESTY PANELS FOR SERIES A AND SERIES L DESKS

Our Modesty Panels provide visual privacy below the desk, optimizing our benching systems to free-stand in an open office environment. Designed to softly diffuse light and sight, they're compatible with both our Series A and Series L Desks.

Available Formats

**FROST WHITE +
TALL FROST WHITE**

PINNABLE FABRIC

PINNABLE MOLDED

Bells + Whistles

- Available for both Series L and Series A Desk Systems
- Both Pinnable Fabric and Pinnable Molded finishes offer sound-dampening qualities and can be used with pushpins
- Frost White material softly diffuses light and sight
- Included edge clips clamp onto any surface up to 1.25" thick
- Designed by Poppin in NYC
