

Stash Lockers

Available with 4 or 6 doors

Reprogrammable tumbler locks for security

Optional casters are sold separately

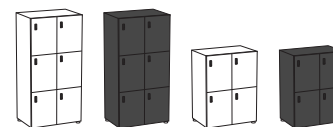

STASH LOCKERS

Ideal for hot deskers and co-working spaces, our Stash Digital Lockers offer secure storage for all your smaller personal items (like your bag, your keys, and, most importantly, your snack stash). With a programmable digital lock, it's convenient for shared use in hybrid work environments since everyone can use their unique, four-digit code.

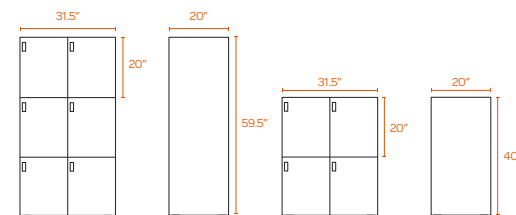

Bells + Whistles

- Stash Digital 4 and 6-Door Lockers feature durable powder-coated steel construction
- Each cabinet has a battery-operated, programmable digital lock – each user chooses their unique, four-digit code
- Lockers are fully painted inside and out with a fingerprint-proof textured finish
- Includes 1 page of stickers numbered 001 - 232 for labeling cubbies
- Adjustable nylon glides included; casters sold separately
- Cabinet ships fully assembled via freight
- The Stash Digital Locker has achieved Indoor Advantage Gold Certification
- Meets or exceeds BIFMA's durability standards for office furniture
- Designed by Poppin in NYC
