Shown with Series A Standing Table

Durable polyurethane finish

## UPBEAT STOOL

Get up, up, and to work with Poppin's Upbeat Stool! It's designed at the ideal height for seating options at standing desks and tables. Lightweight and scoochable, simply slide it to the bar and kick it up a notch.

### Bells + Whistles

- The Upbeat Stool's 29" seat height is ideal for use at standing desks or tables
- Molded white seat with durable polyurethane finish
- Powder-coated steel rod frame
- Floor glides allow for easy scooching
- Ships fully assembled
- Meets or exceeds BIFMA standards
- Designed by Poppin in NYC
