Pair with a Tucker Table to create a casual meeting space

Solid ash legs stained to match upholstery

QT SOFA BOOTH

Designed to block distractions, encourage uninterrupted focus, and provide space for two-person meetings, the QT Sofa Booth is the open office oasis. Soft padded panels mitigate noise to create a semi-private meeting area in any communal space. Simply pull up a Tucker Lounge Table or Spot Side Table and voila! A mini conference room without even calling a contractor.

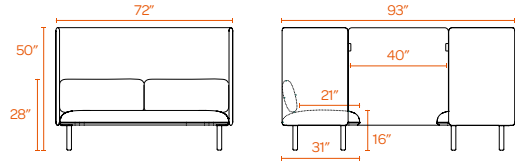

Bells + Whistles

- The QT Sofa Booth features metal and solid wood frames layered with foam and fiber for a soft, springy feel
- The tufted surround and included back pillow provide comfort and support
- Solid ash legs are color-stained to match the fabric
- Upholstered in 100% woven polyester fabric
- Add on the Omni Power Module to put power at your fingertips
- Meets or exceeds BIFMA standards
- Assembles in minutes with only an allen wrench (included)
- Designed by Poppin in NYC
