

## Social Distancing Decals

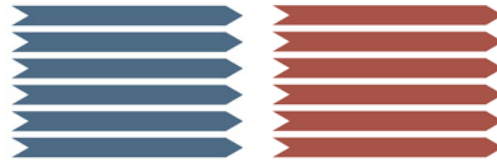

---

Desktop Decals allow you to delineate space in conference rooms or at the personal workspace

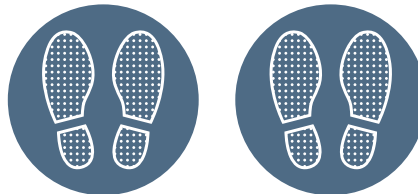

Floor Arrow Decals control foot traffic and promote safe movement throughout the office

Floor Circle Decals help employees maintain 6' of space by identifying the correct position for furniture

Floor Marker Decals serve as visual indicators on where to stand in high-congestion areas as your team and visitors move through the office

## SOCIAL DISTANCING DECALS

Ready to return to your post-COVID office? Our decals designed for social distancing can be used to visually define workspaces, personal space, and seating at communal tables. They can also serve as visual markers to define walkways through your space, creating a safe environment for your team.
