

Swing Monitor Arm

Choose from a single or double mount

Each monitor arm complies with VESA standard dimensions

Extend, retract, and rotate each monitor from landscape to portrait

Supports up to 17.6 lbs per arm

SWING MONITOR ARM

Ideal for mounting on our Series A or Series L Desks, the Swing Single or Double Monitor Arm tilts and swivels for total control over your monitor. It's simple to adjust, allowing you to create comfortable setups and reduce neck, eye, and back strain for every way you work.

Bells + Whistles

- All-metal structure with powder-coated, painted finish in White or Black
- The gas spring hovering system makes it simple to adjust your monitor height
- Features 360° horizontal free rotation for ease of control; metal ball joints easily tilt and swivel
- Extend, retract, and rotate each monitor from landscape to portrait
- Clamp installs onto desks conveniently from the top
- Fits screen sizes up to 29" corner-to-corner
- Loading capacity per arm: Up to 17.6 lbs
- Tilt angle: -120° to ~ 45°; Rotation ±180°
- Each monitor arm complies with VESA standard dimensions 75 x 75 and 100 x 100 millimeters; check your monitor specifications to ensure that the arm and the monitor are compatible
- The built-in cable management system corrals cords and wires for a clutter-free workspace
