## QT CHAIR BOOTH

Pair with a Tucker Table to create a casual meeting space

Pull up two Spot Side Tables for private work

Solid ash legs stained to match upholstery

Designed to block distractions, encourage uninterrupted focus, and provide space for two-person meetings, the QT Chair Booth is the open office oasis. Soft padded panels mitigate noise to create a semi-private meeting area in any communal space. Simply pull up a Tucker Lounge Table or Spot Side Table and voila! A mini conference room without even calling a contractor.
