Control cords and visual clutter with the Cable Hideaway

Includes screws for attaching to Series A and Series L Single Desks

Hanger system lets you easily access your cables and cords

## CABLE HIDEAWAY

Banish cluttered and tangled cables from your desktop, making more room for work, coffee, and vacation photos. Designed to install with a simple hanger system onto our Raise Adjustable Height Desk, it's the elegant solution for life's unsightly cords. It also comes with screws so it can be installed on just about any desk, including our Series A and Series L Single Desks.

### Bells + Whistles

- Cable Hideaway is molded in PET for a soft but sturdy feel
- Designed to install without tools under our Raise Adjustable Height Desk to reduce visual clutter and catch all your cabling
- Alternatively, screws are provided to attach to our Series A and Series L Single Desks
- Open ends allow cable to pass in and out; for more access, simply snap the Hideaway on and off the hangers to access the entire space
- Designed by Poppin in NYC
